

Sourav Bose

Network Security • IT Infrastructure Support

Mobile: 6295356276 | Email: souravbose707@gmail.com | Location: Kharagpur, West Bengal

PROFESSIONAL SUMMARY

Network Security and IT Infrastructure professional with hands-on experience in enterprise network security operations, including PSC firewall upgrades using FortiGuard, network security incident handling, SSL/TLS certificate management, DigiCert, Load Balancers, and exceptional policy tickets. Also trained in Windows Server, Linux administration, SQL, and enterprise networking fundamentals under Wipro.

EXPERIENCE

Network Security Administrator / Network Security Analyst | Wipro – Quest Diagnostics Account | Hyderabad, India

- Working as part of the Network Security Team, supporting enterprise network security operations for the Quest Diagnostics account.
- Performing PSC Firewall upgrades using FortiGuard, including upgrade activities, validation, and post-upgrade checks.
- Handling and resolving network security incidents, performing initial troubleshooting, analysis, and appropriate remediation/escalation.
- Managing internal and external SSL/TLS certificate updates and renewals using DigiCert across enterprise infrastructure.
- Supporting SSL certificate deployment and updates on Load Balancers, ensuring certificate validity and secure application connectivity.
- Handling exceptional policy tickets, reviewing requirements and coordinating policy-related changes in accordance with operational procedures.
- Working on day-to-day network security operations, ticket management, troubleshooting, and infrastructure maintenance in a production environment.

Networking Trainee | Wipro | Hyderabad, India

- Completed structured enterprise networking training covering switching fundamentals, VLANs, TCP/IP, and basic Cisco IOS concepts.
- Developed understanding of network troubleshooting methodology and L1/L2 fault isolation.
- Built hands-on familiarity with Cisco IOS CLI for configuration and verification tasks.

Systems and Infrastructure Trainee | Wipro | Hyderabad, India

- Completed Wipro's NGA training on Windows Server administration, including Active Directory, DNS, DHCP, Group Policy, and user/group management.
- Gained practical exposure to Linux system administration, including file-system management, user permissions, shell scripting basics, and service configuration.
- Worked with SQL databases, including queries, table management, and relational database concepts.
- Completed mandatory corporate onboarding and compliance training modules.

EDUCATION

Bachelor of Computer Applications | Midnapore College (Autonomous), Midnapore, West Bengal | Jun 2023

- GPA: 8.0 — Excelled in Computer Applications and Mathematics.
- Final-year project: IoT-Based Smart Garage Door System — designed and implemented an IoT solution using sensor integration and microcontroller programming.

Higher Secondary Education (HS) | Kharagpur Silver Jubilee High School (HS), Kharagpur, West Bengal | Jul 2020

- 76% — strong foundation in Mathematics, Computer, and Physics.

Secondary Education (Madhyamik) | Kharagpur Silver Jubilee High School (HS), Kharagpur, West Bengal | Jun 2018

- 82% — strong academic performance.

TECHNICAL SKILLS

Network Security: PSC Firewall, FortiGuard, Network Security Incidents, SSL/TLS Certificates, DigiCert, Load Balancers, Exceptional Policy Tickets

Networking: VLANs, Switching, TCP/IP Fundamentals, Cisco IOS (Basic), L1/L2 Concepts

OS: Windows Server, Linux

Windows Server: Active Directory, Group Policy (GPO), File and Folder Permissions (NTFS), DNS, DHCP

SQL: SELECT / JOIN queries, DDL (CREATE TABLE, schema design), DML (INSERT, UPDATE, DELETE)

Linux: Core CLI navigation and file-system commands (Ubuntu/CentOS)

Languages: C, C++, Java, JavaScript, Python, R, HTML, CSS, SQL

Tools: Microsoft Office (Word, PowerPoint, Excel), Visual Studio Code, Git

CERTIFICATIONS

- Certificate in Information Technology Application
- Professional Edge

- GitHub Copilot
- Generative AI on AWS
- Fundamentals of Machine Learning and AI
- Windows Admin-L1
- JAMF 100
- JAMF 170
